

Digital Documenta Ecclesiae

Digital Documenta Ecclesiae is a comprehensive suite of services, which stores the records of Baptism, Confirmation, First Communion, Marriage, Burials and other data of members of a Parish. It is ONE central platform but widely diverse accordingly where the data can be accessed by the mutual consents of the Dioceses. Digital Documenta Ecclesiae brings the data of the Catholic Church to online and stores securely and confidentially which can be accessed from anywhere in the world by authorized users only. The tool offers the administrators of the Church with more control of the data of all Parishes in the Diocese.

SCOPE OF THE PLATFORM

- **Data Centralization :** Collaboration of church records | Easy Accessibility of records | Diverse in functionality | Umbrella Model
- **Secure and Confidential :** SSL Certificates | Private | Confidential | Visibility of data

ONLINE SERVICES

- **Member Profile:**
All data in a single page
Each event is segregated into each tab
Entire history of Catholics and their journey
- **Data Migration :**
Transfer of Data to online
Unique Number to each member
Exchange of benefits and perks
- **Support:**
Implementation
Data Migration
E-mail and phone support
Single point of contact.

Let us
Build
our
Church
for
future
Generation !

Digital Documenta Ecclesiae

Inspite of entering the church records of parish members in to multiple books, let us take complete control of data by digitalization.

- **User Login :**

Login for the authorized data Entry person into the application. Once the login is entered, it goes into the Pending approval mode.

- **Approver Login :**

The approver logs in to the tool and double checks the entry and then approves it. It will be stored for ever in the tool. Any edits on the profile should be approved by the approver.

- **Administrative login :**

For the Diocese to access the profiles of church in a mini view or as mutually agreed by the Diocese..

Bid Adieu to traditional ways of storage of Church data and move on with the time for the new generations !

Digital Ecclesia
